**Exercise no. 2**

In less than 1 year, Portugal will have 50+ more talented developers.

Software houses, recruiters and talent acquisitions needs to know you.

In this exercise you need to create a HTML page to show your online professional profile.

Here some *tips* to you add on your profile.

- Name;
- Contacts;
- Skills;
- Languages;
- Certifications;
- Education;
- Form to contact you.

**Note:** In this exercise design isn't needed, but it will be evaluated the HTML structure.

Good luck,

António José Viana
